Docudrama on Mother Teresa

Mumbai: On the 106th birth anniversary of Mother Teresa, www.mintageworld.com launched a docudrama on the history of the various stamps and coins being launched to celebrate her contribution to humanity. Some of the unique coins and stamps launched to celebrate her life are as follows: In 1997, a ₹45 stamp was issued by India to honour her on a souvenir sheet. In 1980, after she won the Nobel Peace Prize, India Post issued a 30-paisa stamp showing a facsimile of the reverse of the Nobel Peace Prize medallion.
