Docudrama to honour Gandhi

Mumbai: On the 147th birth anniversary of Mahatma Gandhi, www.mintageworld.com is going to launch a docudrama on the history of the various stamps, coins and currency notes that celebrate his life and philosophy, and the triumph of the Indian freedom struggle. Various countries have issued more than 350 postal stamps to pay tribute to the Mahatma. Some of the unique stamps launched in his honour include a 20-paisa stamp portraying Gandhi with his wife Kasturba, a 75-paisa stamp depicting his facial profile, a ₹1 stamp showing Gandhi with his walking stick and a deep mauve- and gold-coloured stamp, designed by A. Ramachandran, issued by the Indian Security Press.
