SPECIAL BILLING FOR THE CM

At a recent launch of the virtual museum for numismatics, notaphily and philately, Chief Minister Devendra Fadnavis was presented with notes of different denominations (₹5, ₹50, ₹500 and ₹1,000) by the organisers. What's interesting, however, is that the serial numbers of the notes matched the sequence of Fadnavis's birthday. The currency notes were collected from private collectors. Fadnavis also showed interest in a collection of stamps dedicated to Indian scientists.
